

### The Single-Point to Managing Both Supplies and Service

Imagine saving money on your printer supplies and getting service included at no extra charge.

With Toshiba's Encompass PrintSmart program, you'll get the printing supplies you need without the additional expense of servicing your printing devices. Toshiba PrintSmart provides on-site service with your toner... *at no additional cost.*

#### ☑ Reap the benefits now... and later

In addition to optimizing your investment in the equipment you already have, Toshiba can provide new printers, faxes, and multifunction copiers that will enhance office productivity and improve operating costs. Toshiba offers flexible acquisition options including purchase, lease, and cost-per-page programs.

#### ☑ Encompass PrintSmart provides:

- High quality laser toner for your installed fleet of printers
- Reliable, on-site service included at no additional cost to you
- Complete management of all printers regardless of manufacturer
- Usage reports
- Convenient, flexible billing and terms

**SINGLE POINT OF ACCOUNTABILITY**  
for both service and consumables results in:

Reduction in IT Support Required

More Control Over Operations

Less "Downtime"

Lower Costs

More Convenience

## How PrintSmart Works:

We'll inspect and tag each printer to get a current and accurate inventory, so you know where they are, who uses them, and their current condition

We'll provide service for any printer under the contract, at no additional charge

We'll make recommendations by matching needs to usage patterns so you know which products provide the most efficiency by department

We'll conduct regular reviews to ensure you're getting the most out of printers that you already own or lease
